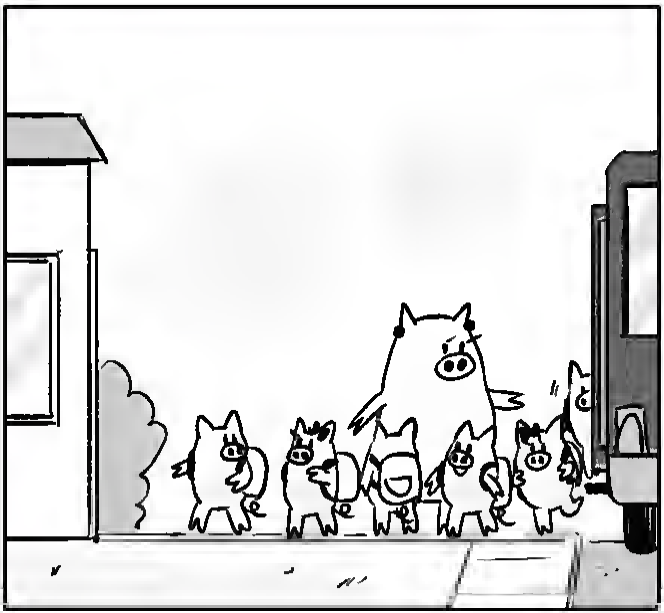
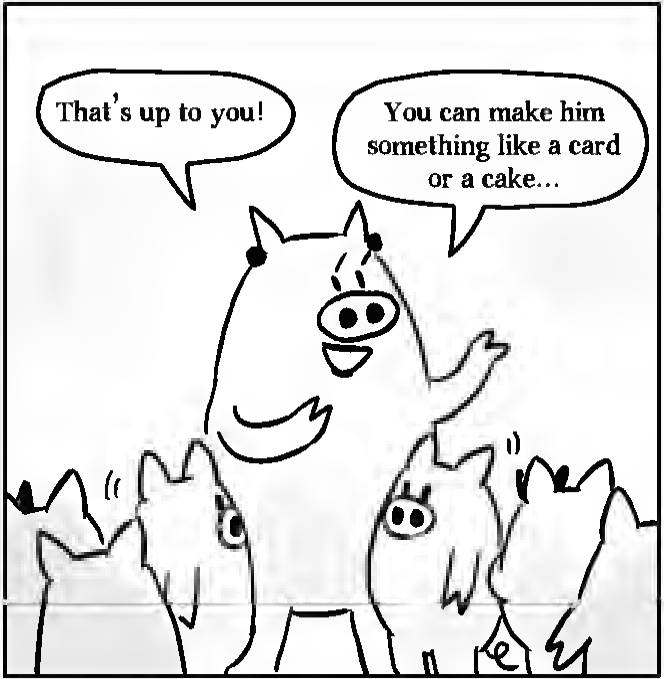
Happy Father's Day



It's the time of the year again.

My dears, do you know what day is today?
Father's day!
Teacher said at school today!

That's right, you should thank dad for working hard,
so that all of you can go to school and have toys to play with!
How can we thank daddy?



That's up to you!
You can make him something like a card or a cake...

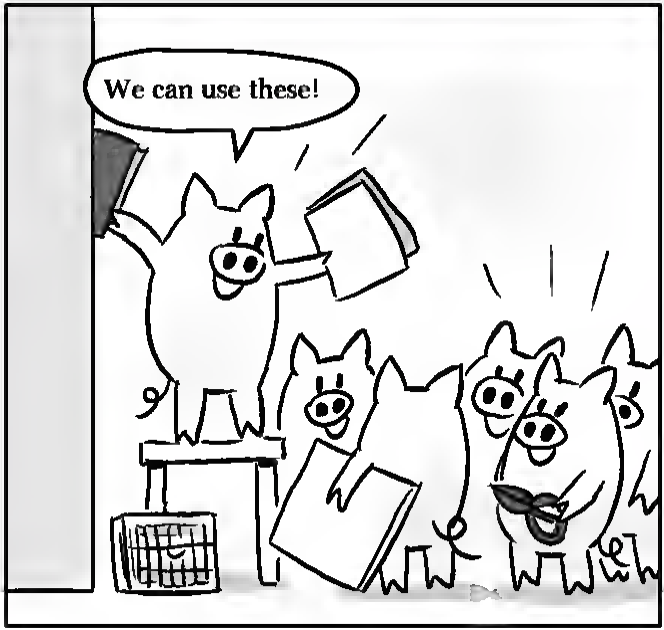
We will bake a cake for daddy!
We will make a card for dad!

Mrs. Pigkles went out to buy groceries

for a big dinner.

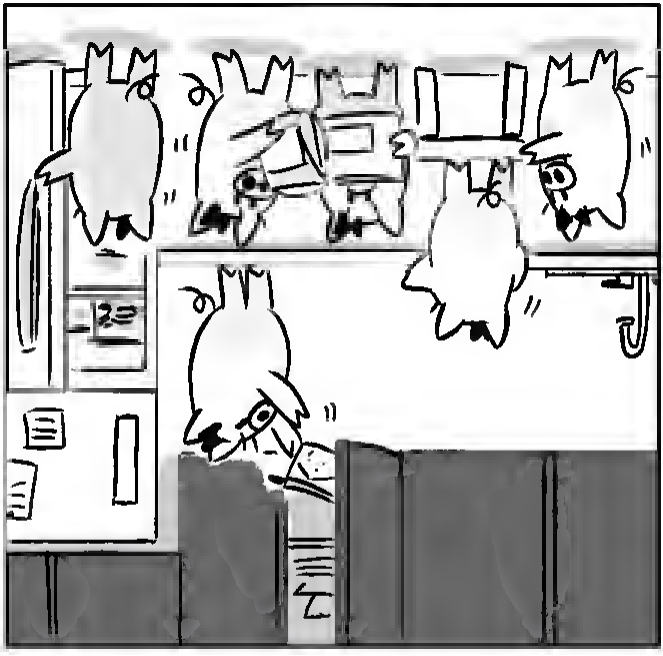
Great that the piglets have something to keep them occupied for a while...

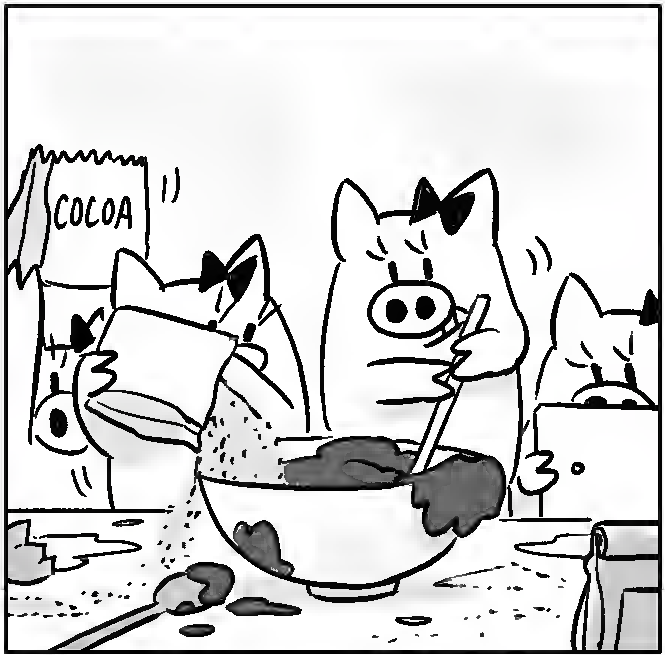
Let's try this recipe!
CHOCOLATE LAVA CAKE RECIPE



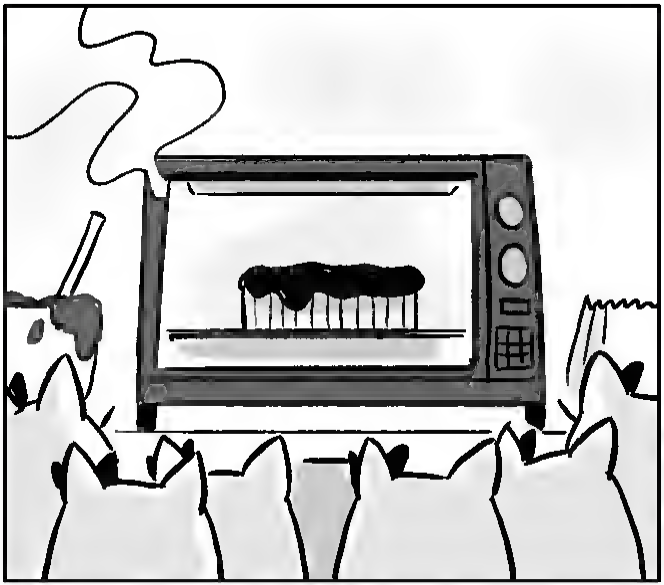
The piglets decided to bake the sweetest cake

for their father.



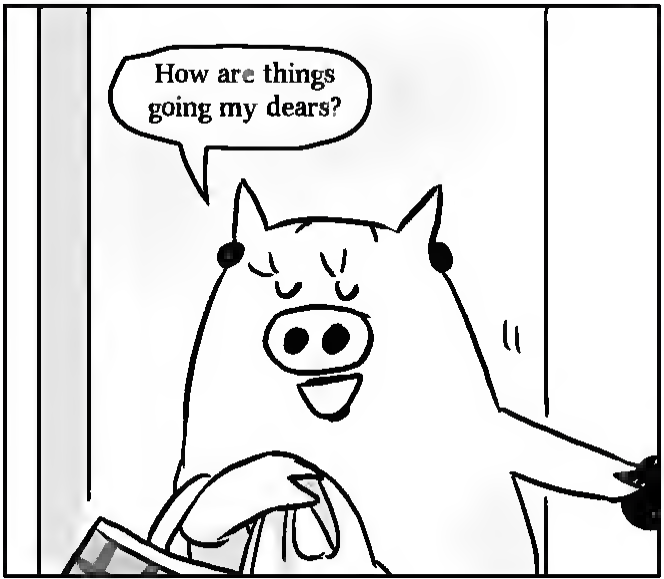


COCOA



And make the most colorful card for their dad.

Bought hubby's favorite apples!
I can make apple pie tonight!



How are things going my dears?

That's it for today's meeting!
Also, happy father's day to all the fathers here!

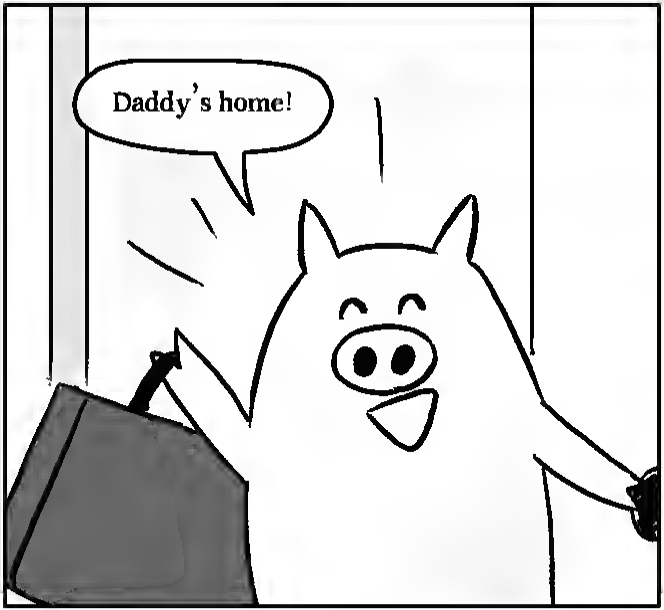
Mr. Wulf, how are you gonna celebrate father's day?
My daughter said she will cook dinner tonight.

What about you Allie?
My son drew me a card.

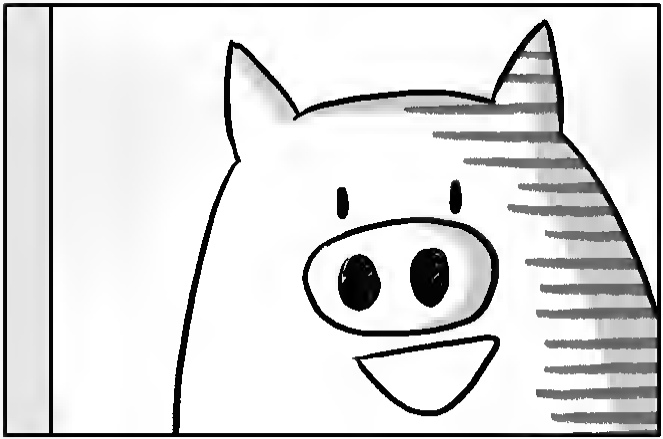
How about you Pigkles?
12 kids, father's day is gonna be a blast for you!
Yeah, I'm looking forward to what they have for me!

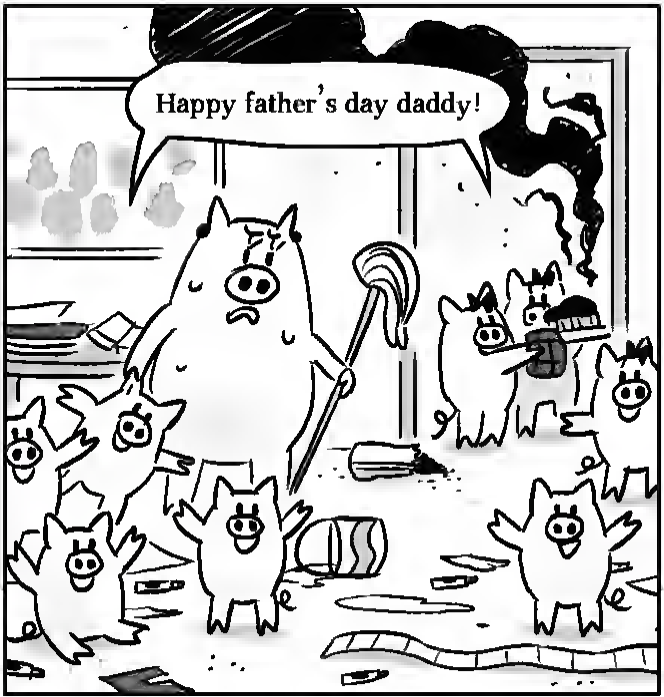
This is the best day of being a father of 12... totally worth a year's hard work!

Let's see what surprises I have...



Daddy's home!



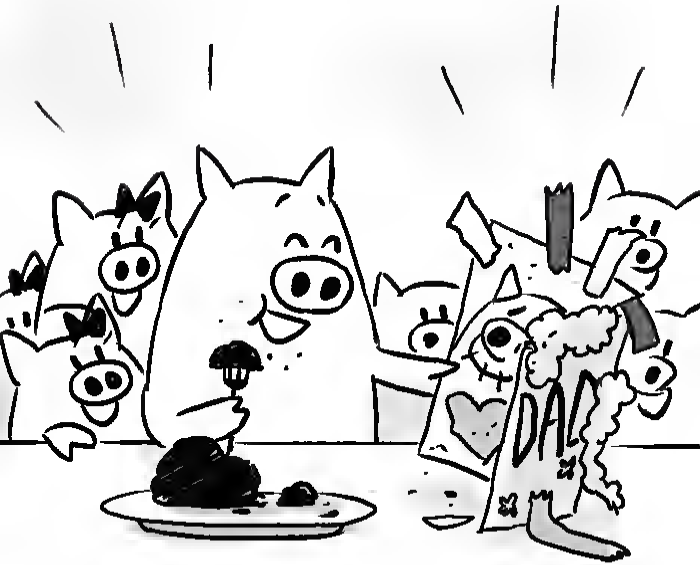


Happy father's day daddy!

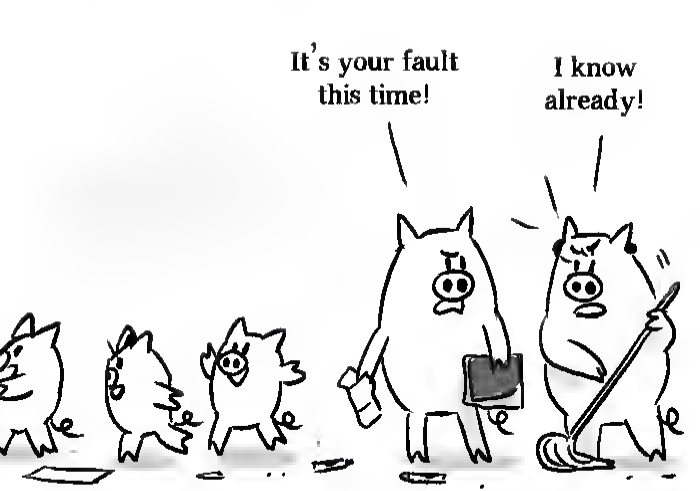
Thank you for daddy's hard work!
We love you!

It's a wonderful thing to be a father of 12

troublesome yet adorable piglets...



...Even though it means even more work to do.



It's your fault this time!
I know already!

THANKS
DAD!
